*Please note: Many P&C Executive positions (President, Treasurer, Secretary) will become vacant in 2022 – if you are interested in joining the Executive, the current membership is happy to answer enquiries about positions and will be on hand for a smooth transition to the new Executive. Feel free to get in touch if you'd like to learn more about what is involved in taking up a role on the Executive.*

16 November 2021

## 2021-2024 School Vision

*Connected Individuals Curious Learners Community Minded Citizens*

### School Improvement Priorities 2021

#### 1. Relevant and engaging curriculum

##### Student Leadership Program

2022 School Captain election process is underway. It has been a privilege to engage with the students and learn of their aspirations and what is important to them. Common themes have been climate action, sustainability, reasons to connect and supporting vulnerable peers. Recently, Metropolitan Regional Director Dr. Liam Smith shared the [Our World Our Say Report](#) – Australia's largest ever consultation of young people on climate change and disaster risk. The survey was completed by 1,447 young Australians between the ages of 10 and 24. The survey was co-designed by young people and organisations working with young people in Australia and the Asia-Pacific region. It included 27 questions on climate change, natural hazards and disaster risk, with questions designed to identify children and young people's priorities for action by decision makers. Bushfires, floods, and severe weather events have had devastating impacts on Australian communities in recent history. Climate change is making these hazardous events more frequent and severe. Young people have an important role to play in raising awareness of the ongoing risk of disaster and working to build safer, stronger communities. Our own students are communicating similar concerns and a desire to take action. Legacy programs such as the YSS Green Team supported by parent Nicole Deaton have built a culture of awareness and stewardship over many years. Nicole will be working with the Year 4 students in the coming weeks to raise awareness of the leadership responsibilities as they transition to Year 5.

##### Assessment for Learning

2022 School improvement priorities will be to continue embedding Curiosity and Powerful Learning (CPL) theories of action at the school.

Our EIA (Explicit Improvement Agenda) is CPL Theory of Action – Assessment for Learning

For the learner, progress is vested in a clear understanding of;

Where am I going? (learning goal)

How am I going? (my current performance against the goal)

Where to next? (my next step towards achieving the goal)

#### 2. Inclusion and wellbeing

##### Yeronga State School Wellbeing Framework

The Wheel of Wellbeing

Learn it Live It Teach it	Body	Planet	Place	Mind	Spirit	People
Connect						
Cultivate						
Commit						
Communicate						

### 3. Facilities and Operations Management

We have been advised that the school Administration, First Aid and Staffroom will not be open and operational ready until after the start of 2022. The first floor (classrooms and Curiosity Centre) will continue to be under construction during Term 1 2022 and the surrounding access still a worksite. It is still anticipated that classrooms will be moving into the building over the Easter 2022 break in readiness for Term 2.

#### School Fees 2022

- **Student Resource Scheme** – No general SRS agreement cost to parent in 2022  
Transition year as actual costs are determined  
Future years will be used to pay for costs for iPADS and curriculum consumables eg. cooking, gardening, art, inquiry projects etc.  
SRS will only apply to instrumental music students in 2022
- **Voluntary Contributions-** School Library and Resource Fund  
There is no capacity within the rules of the VC policy for parents to make a DGR donation for iPADS  
A DGR Building Fund to pay for a school hall for example may be considered  
By PandC
- **Booklists 2022**  
Through third party company -Sequal  
Stationary packs delivered direct to homes  
Online order process – details coming home this term

- **Additional cost to students**  
One excursion and one incursion per year *Total Approximately \$50 per student*  
*Camp for Year 4 \$280 Year 5 \$240 Year 6 \$460*  
Swimming and Interschool Sport and individual student activities \$50-60

### 4. Community Communications and Engagement

It was wonderful to be able to join parents for the start of the Trivia night on Saturday. It is a reminder of how much connectedness is important to a strong and vibrant school community. Discussions are underway to change assembly times and format for 2022 going forward to a Friday morning at 9.00am. The intention is greater convenience for parents to attend assembly and participate more in the day to day life of the school. The return of class items to assembly and a parent café are all on the agenda at present.

Class Teachers for 2022 are being finalised at present. Parents were invited to email Deputy Principal Tracy Freeman of any additional considerations for placement of their child into classes for 2022. The window has now closed and classes are being formed at present. 2022 Classes will be communicated to families via email on Wednesday January 19 at 5pm. A notification of the email will also be sent via Schoolzine.

Thank you to all in our community who contribute to our thriving school.  
Please see below the School Events Calendar for the remainder of Term
